### ALTMAR PARISH WILLIAMSTOWN HIGH SCHOOL STUDENT PARKING REGISTRATION

The APW School District provides transportation to and from school for its students who are under District guidelines. It is expected that students will use District transportation. However, at times, students will be granted permission by the school administration, to drive to school and park on school property. No student may park on school property without prior permission from the principal or his/her designee. This privilege is subject to the following regulations and responsibilities:

1. Parking privileges will be granted to seniors only. Exceptions will only be made for extenuating circumstances at the discretion of the principal. Student drivers must maintain a 75% average or higher each marking period they have been granted permission to drive.
2. The student may only drive the vehicle that has been approved by the administration and registered in the Main Office. The student may only register a vehicle that is DMV registered to the student or parent/guardian of the student.
3. The student *must* arrive to school by 7:30 a.m. Students who are repeatedly tardy to school lose the privilege of parking on school property.
4. Administration may grant the student permission to transport no more than 1 passenger per vehicle. (DMV Junior license restrictions.) Transportation of unauthorized passengers will result in parking privileges being revoked.
5. Students are not to leave the school building to go to their car at any time without receiving permission from the administration.
6. The School District is not responsible for the vehicle or its contents while parked on school property. For this purpose, all vehicles should be locked at all times.
7. The student will observe safe driving practices at all times, in and out of school. Students observed exhibiting unsafe driving practices (e.g., excessive speed, weaving, squealing tires, etc.) could have the parking privilege revoked.
8. Students with continuous behavior issues/discipline referrals could lose their parking privileges.
9. Your vehicle is your responsibility, which includes any person who is in, on, or using your vehicle. You could be held responsible for any infraction of school, parking and/or driving rules involving your vehicle.

Students wishing to apply for permission must complete appropriate permission forms signed by a parent/guardian and approved by the principal or his/her designee. Students who receive permission can *ONLY* park in the student parking area (in the front of the building) in their assigned space.

Students are NOT permitted to drive to CiTi except with prior permission from the CiTi principal and the A.P.W. Principal or his/her designee.

Should the student violate any of these regulations or responsibilities, or exhibit any other behaviors which violate the Code of Conduct or other policies or procedures as stated in the Student Handbook, the privilege of being allowed to drive and park on school property may be revoked. In addition, the student will be subject to other disciplinary consequences.
