APW JSHS	<p>Will a staff member on the first day be giving the 7th graders a tour of the school?</p> <p>What is the drop off time for JSHS?</p> <p>Will the 7th graders receive a schedule in the mail once you have figured out if they are AA or BB schedule?</p> <p>When will we be told which days our child will be going on AA or BB? So I can prepare childcare.</p> <p>Are 7th graders suppose to bring in there devices on the days there in school?</p>	<p>We are preparing a video as well as booklet form orientation for 7th graders, which they will have access to prior to school beginning.</p>
APW Elementary School	<p>This is my sons first year at APW, he will be in the A+ program. I am choosing fully remote for the first few months. Will I be receiving information from the APW district or his actual district which is Mexico and when should I be receiving information? Who should I contact with questions since his actual district is not APW?</p>	<p>You should be receiving information from his home school district - Mexico</p>
Both	<p>I wont be able to afford a chromebook for my child for virtual learning is there something different parents can do that cant afford them?</p>	<p>The district is prepared to supply devices for students who do not have access to one at home.</p>
APW Elementary School	<p>We have opted for our children to attend school. If the need arises for us to quarantine, even if their classes do not, will we be able to switch over to distance learning and back without any major disruption in learning?</p>	<p>You will always be able to go from Hybrid to 100% Virtual. If you would like to go from 100% Virtual to Hybrid we will have some deadline dates for you to request that. Unfortunately, due to limited space on buses and in classrooms -- we will not be able to accomodate everyone who requests to switch to Hybrid --</p>
APW Elementary School	<p>Approximately when should we expect to find out which teachers our kids will have?</p>	<p>Letters are going out on 8/19/20</p>
APW Elementary School	<p>Will the students have any type of meet &amp; greet with their new teachers? Or final farewell to last years teachers?</p>	
APW Elementary School	<p>Is there a requirement on what kind of face mask children can wear. Like can they wear animated mask, or the n95 or is it preferred to wear soiled colors?</p>	<p>There is no requirement on the type of face mask children can wear. Naturally, any pictures or words on any mask and/or clothing need to be appropriate for school.</p>
Both	<p>What date will classes begin</p>	<p>All instruction (virtual and in school) begins on September 10th. For students enrolled in the Hybrid Model -- First day of in-school instruction will be:</p> <p>For AA group -- September 10 For BB group -- September 14</p>

APW Elementary School	Wouldn't bringing in a day care in the building make it harder to socially distance as there will be more people in the building with a day care there? Would these students be in the hall or staying in one room?	If we are able to bring a daycare into the school building, the daycare is obligated to follow all NYS DOH requirements for Daycare Center. The children would be in rooms separate from the children attending class.
APW Elementary School	Will we have the option to do remote learning?	You should have received a School Messenger email which contained a survey to request the learning model for you student (s). If you want 100% remote learning, please contact the Main Office
APW Elementary School	The other form isn't working. I would like to know if learning will be synchronous on Wednesday's? On the days when students aren't in the classroom - AA vs. BB, will virtual learning be synchronous or asynchronous? Thank you!	
APW Elementary School	We just moved to the area this summer. Is it at all possible to have a brief tour inside the school so that my kids are not completely lost on their first day (they're doing the hybrid schedule)?	Please contact the Elementary School Main Office.
APW Elementary School	What will school lunches look like? Will they still be able to bring their own food? Also what is the plan for lockers in the elementary building?	Student can bring their own food for lunch. Students will be eating in classrooms.
APW Elementary School	On days that students are doing virtual learning for the hybrid schedule, will they be able to use/bring home their chromebooks? We have 3 kids and just one laptop here at home.	We have enough Chromebooks in the district to give to students who do not have access to one at home.
Both	Were there be any clubs, even if done remotely?	There will be some remote club opportunities. Teachers are proposing options to their principals
APW Elementary School	What was your plan on keeping the kids safe and from. Not getting sick?	Our reopening plan covers all the DOH, CDC and NYSED guidelines for keeping ensuring that our students and staff member remain as safe as possible.
