| APW Elementary School                 | For the remote learning are children going to be on a scheduled time to be on or are they Able to their work at the time is convenient for their families and at their pace weather it is faster or slower  | Principals and teachers are working in tandem to create the best virtual learning environments for your children. Answers to what virtual learning will look like for each grade level are forthcoming --  |
| Both                                  | Are children able to bring pocket hand sanitizer and or sanitizing wipe   | All classrooms will have an ample supply of hand sanitizer and wipes for students to use. Hand sanitizer is flammable and should not be carried on the school bus. Students can carry their own hand sanitizer if they are not being transported by a school bus.  |
| APW Elementary School                 | When will we know when the re opening plan is? Please contact me at   | Our reopening plan is located here <a href="https://www.apwschools.org/domain/1070">https://www.apwschools.org/domain/1070</a>   |
| APW Elementary School                 | We were awaiting the Outline for the 100% remote learning option before submitting our plans for school. Will we need to submit the survey at a later date? Or should we call the school? Primarily looking for the remote learning to be done at a non specific time during the day due to scheduling conflicts for working parents. Grades 3 and 4. | Principals and teachers are working in tandem to create the best virtual learning environments for your children. Answers to what virtual learning will look like for each grade level are forthcoming --  |
| Both                                  | If my child will be traveling out of state, will they be required to stay home after they return for a certain amount of time and if so, will this depend on if the state is on the travel advisory list or not?  | APW CSD will require all staff and students to adhere to NYS DOH guidance which states: All travelers entering New York who have recently traveled within a state with either:<br><ul style="list-style-type: none"> <li>• a positive test rate higher than 10 per 100,000 residents over a seven-day rolling average; or</li> <li>• a testing positivity rate of higher than a 10% over a seven-day rolling average,</li> </ul> will be required to quarantine for a period of 14 days consistent with the Department of Health (DOH) regulations for quarantine. |
| APW JSHS                              | When is the 20/21 school supplies list coming out? There are 3 weeks before classes start!!   | The lists are on the JRSR High portion of the website. Our apologies -- they are listed as 19/20 lists --- it should say 20/21 lists   |

| Both                                  | <p>What type of Chromebooks do the children need so if parents can afford them we could get one. Or what type Of Chromebooks dose the school use</p>  | <p>HP Chromebook 11 G8 EE. EE just stands for Education Edition.<br/>                     These models aren't really sold to the public but you can find them online.</p> <p>With Chromebooks it really does not matter much what you get as long as it is new so that it supports the latest chrome operating system. There is not much difference between brands besides build quality and should not be an issue going from one to another. Our Tech Dept. recommends HP, Dell and Acer for Chromebooks.</p> |
| APW JSHS                              | <p>Good Morning- There has been a rumor that the JR/SR high students will be learning all remotely now? I have not received any information about this but a teacher has sent out a remind message with that information...Is this correct?</p> | <p>This is not correct. JR/SR high students who have not chosen to be 100% remote will attend school using the AA/BB Hybrid Method.</p>   |
