If you use Facebook or other Social Media Platforms, do you ever wonder why complete strangers send a Friend Request or Follow you??? This article tells one reason why some people may be trying to contact your children. It’s a very sad read, but very important information for all of us. Please pay attention to how to set privacy settings on your children’s phones and Social Media sites. Keeping our students/your children safe is our #1 priority.

Proud to be a Rebel!
